Hello,

Rhonda Stark Designs is now a family-owned business! After 30+ incredible years, founder Rhonda Stark has passed the reins to longtime team member Gina Isakson—who, with her family, is proudly carrying on the legacy with care & passion.

While ownership and logo have changed, everything you love about our brand stays the same.

We're still proudly MADE IN THE USA, using beautiful wool-blend fabrics loomed in Italy. Each piece is cut to order—choose your style, fabric, and size, and we'll make it just for you.

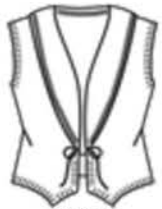

This brand has always been about quality, creativity, and connection—and now, it's about family too.

Thanks for being part of ours!

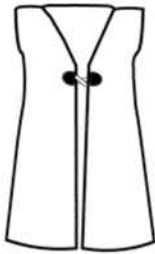

Gina

- ★ You will see some new faces this year! We are introducing all of our family throughout this year's catalog. You'll see 3 generations of family plus our loyal employees and their family that bring decades of hard work and dedication to the brand.
